COMMENTS

The Public Representative has reviewed the Postal Service's Notice of Modification to Priority Mail Express International, Priority Mail International, First-Class Package International Service and Commercial ePacket Contract 7 and the financial data filed under seal with the Postal Service's Notice. Based upon that review, the Public Representative concludes that Contract 7 , as modified, should continue to generate sufficient revenues to cover costs and thereby satisfy 39 U.S.C. § 3633(a) and thus should be approved by the Commission.

Finally, the Postal Service must file revenue and cost data for Contract 7 in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for Contract 7 for compliance with 39 U.S.C. § 3633(a).

³ See Order No. 5634 Order Adding Priority Mail Express International, Priority Mail International, First-Class Package International Service & Commercial ePacket Contract 7 to the Competitive Product List, Docket No. MC2020-203 and CP2020-230, August 14, 2020.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
